Sky-High Thrills: See Everest Like Never Before.

The Everest Base Camp Helicopter Tour offers a thrilling, once-in-a-lifetime experience to witness the grandeur of the Himalayas from above. Starting from Kathmandu, the tour takes you on a breathtaking journey over verdant hills, glacial rivers, and iconic Sherpa villages before reaching the stunning Everest Base Camp. You'll get up-close views of Mount Everest, Lhotse, and other majestic peaks, with a chance to land at Kalapathar for panoramic photos. This tour is perfect for those short on time but eager to experience the beauty and awe of the world's highest mountains without the strenuous trek.

After having an excellent breakfast in the hotel, you will fly back to the Lukla with the astonishing views of the Himalayas. There is nothing more exciting than a clear bird's eye view of the Himalayas up close.

10:00 AM - 11:00 AM: Fly back to Kathmandu

After this exhilarating flight, you will be taken back to your hotel in comfortable, private transport.

FAQs

1. 1. What is the duration of the Everest Base Camp Helicopter Tour?

The tour typically lasts about 4 to 5 hours, including flight time, stops for refueling, and landing at key locations like Kala Patthar for photos and breakfast.

2. 2. Is it safe to fly to such a high altitude?

Yes, the tour is conducted by experienced pilots who are trained for high-altitude flights. The helicopters are equipped with oxygen systems, and the flight path is carefully planned to ensure passenger safety.

3. 3. What should I wear for the helicopter tour?

It's important to wear warm, layered clothing, as temperatures at high altitudes can be very cold. Sunglasses, gloves, and sturdy shoes are also recommended for when you step out at Kala Patthar.
